

Wipe Off Nourishing Face Mask

Ref: PS3-175

This mask is designed to satisfy your craving for younger, healthier, and more radiant skin. **Firm'Act** increases firmness and elasticity. **Alistin P5** provides a strong free radical scavenging effect. **PAE Complex Skin Revitalizer** will exfoliate, moisturize, and soothe allowing the active ingredient, Ascorbosilane, to penetrate more evenly and deeply to increase its efficacy.

Procedure: Add water to the main beaker. Add ingredients of Phase A one by one with mixing. Heat it to 70C until it is uniform. Combine ingredients of Phase B together. Heat it with mixing until it is clear. Add Phase B into Phase A with mixing. Stop heating. Cool it down to 40C. Add ingredients of Phase C one by one with mixing.

Parameters: Viscosity 80400 CPS, S#6 @ 5 RPM. pH 5.42.

Stability: Acceptable 8 weeks stability study at 4°C, RT, 45°C, and 3 cycles F/T.

Direction how to use: apply the mask using your fingertips to cleansed face and neck with an even and generous layer. Leave on 5-15 minutes. Gently tissue off excess and massage residual into skin.
